FAQS | WHAT YOU NEED TO KNOW

WHAT IS PRINTAVIZION AND WHY SHOULD I CARE?

As one of the pioneers, PrintAVizion brings print to life with thin vivid LCD screens integrated into video brochures, books, postcards, and even business cards. Combining video, audio, and print, it delivers a unique, show-stopping way to captivate and impress your audience. Unlike the competition, we combine innovative video technology with personalized marketing strategies to maximize your brand's impact.

WHAT IS THE TURNAROUND TIME?

Most custom printed orders have a 25-day turnaround, thanks to rigorous production and quality control. If you have a specific deadline, we'll work to meet it—we've never missed an accepted deadline.

HOW MUCH DO VIDEO IN PRINT SOLUTIONS COST?

Pricing depends on style, size, quantity, and customization. While we're not the cheapest or the most expensive, our unmatched quality and service ensure the best value and a stress-free experience. [Shop Now](#)

ARE THEY RECHARGEABLE?

Yes! Fully charged in 2–3 hours via USB, our players deliver 2–3 hours of continuous use. Shelf life varies, but they often hold a charge for months. Always check the charge before use.

CAN I UPDATE THE VIDEOS?

Yes! Just connect the player to your PC via the included USB-C cord, replace the files in the "Video" folder with your new videos (MP4 format, correct resolution), and you're all set. [View Video Loading Demo](#)

WHO DESIGNS MY PROJECT?

Use your own design team with our provided templates, or let our award-winning marketing team handle it for you—including custom design and copywriting. [Download Design Templates](#)

WHO HANDLES VIDEO PRODUCTION?

Supply your own videos, or let us take care of it. We offer on-location video shoots, professional editing, & strategic guidance.

DO YOU OFFER MAILING SERVICES TO OUR CONTACT LIST?

Yes! For mailings of 30+ contacts, we handle shipping, addressing, assembly, and vibrant packaging.

WHY SHOULD I BUY FROM YOU VS. COMPETITION OR OVERSEAS?

With 3 decades of expertise, 730,000+ units sold, and unmatched quality, we deliver a stress-free, high-quality experience. Unlike unknown overseas options, and product pushers, we guarantee reliable service and excellent craftsmanship.
